Our Vision and future Perspectives

Our vision is to expand our business to International level and present ourselves globally.

We at CRG groups believe in Strategic Alliance, wherein we can combine our resources to undertake specific and mutual beneficial projects. More concentration will be on technology oriented projects with latest machinery and technical support. We are open to diversify into any field of manufacturing or trading, which can show our presence globally.

We are in process of developing Complete Shell for WAP-7/ WAP-9HC Locomotives and will be completed in a short span of time.

Just recently, another contract has been placed by RITES Expotech for manufacturing & supply of Cape Gauge Bogies for Mozambique Railway. Similarly, another contract for Zimbabwe Railway is expected very soon.
